General Terms

Prices and Payment - All Lease, Rental and Comms Charges are per vehicle per month, paid quarterly in advance by direct debit. Prices are subject to VAT and are valid until 31st December 2010. Quartix Standard Terms of Sale apply.

Warranty - On-site Warranty for repair or replacement of the system is provided throughout the lease or rental period, and for 12 months in the case of purchase.

Lease Administration Charge - There is a one-off charge of £98.00 applicable to the 3,4 or 5 year lease options (this is for the entire contract, not per vehicle).

Removal/ Re-installation Charge - The cost to remove the system from one vehicle, and install it in another vehicle during the same visit is £119.00.

Terms Applicable to Pay as You Go - You are responsible for the system until you return it to us on termination of the rental contract. You may disconnect and remove it from the vehicle yourself, or we can offer this service at a cost of £119. If the system is lost or damaged beyond repair or you are unable to return it for any reason then you will be charged £295.
