General Terms

Prices and Payment - All Rental and Comms* Charges are per vehicle per month, paid quarterly in advance by direct debit. Prices are subject to VAT and are valid until 31st December 2011. Quartix Standard Terms of Sale apply.

Warranty - On-site Warranty for repair or replacement of the system is provided throughout the rental term and for 12 months in the case of purchase.

Terms Applicable to Rental Contracts - You are responsible for the system until you return it to us on termination of the rental contract. You may disconnect and remove it from the vehicle yourself, or we can offer this service at a cost of £119. If the system is lost or damaged beyond repair or you are unable to return it for any reason then you will be charged £245.

Re-installation Charge - the cost of removal and re-installation of each tracking system at the time of vehicle replacement is £119 plus VAT, provided that both vehicles are available at the same appointment.

*Comms Charge - refers to the communications and service charge.
